

Core Competencies

- Tight tolerance, precision machining of stainless, aluminum, copper, brass, plastics, composites, & exotic metals/superalloys such as Hiperco 50, Inconel, Invar, Molybdenum, and Zirconium
- Production—Low to 1,000+ High Volume
- Prototyping
- Kitting & Light Assembly
- CMM / Climate Controlled Inspection Processes
- Turnkey Services—Network of trusted partners to provide coatings, plating, heat treating, precision grinding, & much more

V&G Dynamic Machine, LLC

**701 Industrial Blvd.
Marble Falls, TX 78654
Phone: 830.693.4743

Capability Statement

Business Classification: Small Minority Business Enterprise (MBE)

Certifications: ISO 9001:2015 / AS9100D / ITAR

Cage Code: 8M9M6

DUNS: 117556735

NAICS Codes

Primary: 332710 Machine Shops
332721 Precision Turned Products Mfg.
332999 Misc. Fabricated Metal Products

Secondary: 336413 Aircraft Parts & Auxiliary Equipment Manufacturing

Machining/Design/Process & Quality Control

CNC 3-5 Axis Milling — 4 Axis Live Tooling Turning
Mastercam 2021 CAD/CAM Software
JobBOSS Shop Management System
Mitutoyo CMM / Climate Controlled Inspection

Industries & Clients

- Aerospace/Aviation: NASA, Enflite, Exoterra, Ursa
- Defense: Bascom Hunter
- Life Sciences: Azbil North America, Agilent Technologies
- Medical: Flextronics
- Oil/Gas/Energy: ChampionX, Schlumberger
- Optics: Canon, ThorLabs
- Semiconductor: Axcelis Technologies
- Scientific Instrumentation: Ametek, ThermoFisher

Since 1988, V&G Dynamic Machine continues to embrace technological advancements and the principles of superior quality and on-time delivery of precision machined parts on a global scale to the aerospace, energy, defense, medical, and semiconductor industries, among many others.
