

January 27, 2023

To Whom It May Concern:

V&G Dynamic Machine, LLC is committed to compliance with DoD cyber security requirements, DFARS 252.204-7019 and DFARS 252.204-7020. To further advance this compliance, V&G Dynamic, on a continual basis, implements and updates policies and procedures, including a System Security Plan (SSP), plans-of-action and milestones (POAMs) and relevant employee training. Such implementation is in accordance with NIST SP 800-171 in order to achieve and maintain CMMC certification standards.

V&G Dynamic Machine has registered its NIST assessment score in the DoD Supplier Performance Risk System (SPRS). A reference screen shot capture of V&G Dynamic’s SPRS is shown below.

**** NOTE:** The information will be protected against unauthorized use and release, including through the exercise of applicable ex Freedom of Information Act ******
